

NOTICE OF MOTION: BYLAW AMENDMENTS

The Policies and Bylaws Committee chair, Marian Lang, proposes the following motion:

That the current bylaws of the St. Albert Seniors Association be repealed and replaced with the attached bylaws which were adopted by the Board of Directors at their regular meeting held February 21, 2018 and including amendments adopted at the regular meeting held March 21, 2018.

Bylaws are the fundamental governing rules and regulations of any society. The bylaws state how the society is to be governed and how the powers of the society are to be exercised. Organizations must use the terminology used in the Societies Act.

The rationale for this change of bylaws arises from changes to the Societies Act and the need for stronger bylaws to bring them up to current standards.
